I'm totally free both 4/26 and 4/27, so that would work fine. However, my partner needs to see a specialist (a neurologist) and we are waiting to hear back regarding when she can be seen, but I'm hoping the appointment will be sooner rather than later, and will do my best to avoid Friday, 4/27.

Hi Sonja,

Just a quick update. This case is now scheduled for motions and trial on 4/26/12 – that means I would potentially need you in the afternoon on 4/27 – figure around 1:30pm. That will give me 30 minutes to talk to you before session resumes at 2PM. Can you please try and leave that afternoon free and if anything changes on 4/26 I will let you know.

Thanks,

Matt
